Concheno Taken By Rebels.

Concheno Chih. Oct. 28.—(By courier 20 miles overland)—Troops commanded by Col. Alatorre took possession of this camp and for 18 hours held high revel, calebrating their victory, which was a hollow one, as the federals were far from the scene. Ten thousand dollars was demanded from the manager. C. M. Eye, as ransom money, but a compromise was effected later in the day by the payment of \$500 to Col. Alatorre, who signed his name to a receipt for the money. Several individuals in the camp were held up for small sums and camp were held up for small sums and mexico situation, declared Didapp. "I was in Washington five months, and

ARIZONA STILL LEADS AS COPPER PRODUCER

Washington, D. C., Oct. 28.-Arizona has a recorded production of 3,494,333,111 pounds of copper, or 21.38 percent of the total output of the United States since mining began, according to a report issued today by the geological survey. In 1911 Arizona produced 303,202,532 pounds of blister copper, as compared

with 297,250,538 pounds in 1910. This is the largest output in the history of the state and continues Arizona in first place among the copper producing states. She produced 27.63 percent of the total output of the country for 1911. The steady output of copper from Arizona began about 1875, though there was intermittent production prior to that date, the earliest record of production

Since 1880, the growth of the industry has been steady and rapid. Nine copper smelting plants operated within the state during the year.
